

RINGWOOD HIGH SCHOOL STUDENT PARKING

Ringwood High School students will have designated parking in the North parking lot between the High School and the new gym. Students will not be allowed to park in the South parking areas or the sport parking lots unless instructed by the school administration. Students who park in non-designated parking areas can lose their driving privileges at school.

This form will need to be completed by students requesting to drive to/park at school as well as those who will be parking only during evening/weekend activities. I understand that my ability to park at Ringwood Public Schools is a privilege that can be revoked if I disobey school, local, or state laws. By signing this contract, I agree that this will serve as the first and only warning I will receive for parking violations. To maintain my parking privileges, I understand and agree to the following as well as any school policy not listed below:

By signing this form the student agrees to the following:

1. The student, while driving on campus at any time, will not exceed 5mph.
2. The student will park by pulling in between the lines.
3. The student will not visit their car for any reason without permission
4. The student understands that their vehicle will be subjected to random drug searches.
5. The vehicle's tag will be up to date.
6. The student parking lot is for the school day and evening/weekend away activities.
7. Those only driving to evening/weekend activities/practices will also park in the student lot.

Students will need to provide a copy of their drivers' license, proof of insurance, and this form on the first day of driving.

RPS ADMINISTRATION RESERVES THE RIGHT TO REVOKE YOUR PARKING PRIVILEGE FOR ISSUES OTHER THAN THOSE SPECIFICALLY STATED ABOVE, INCLUDING EXCESSIVE LATENESS TO SCHOOL AND VIOLATION OF THE RPS DISCIPLINE POLICY.
