

**SCHOOL DISTRICT SCREENING PROTOCOL
SOCIAL DISTANCING AND GATHERINGS**

In an effort to prevent the spread of communicable diseases, the district will be implementing the following protocol to control and restrict access to school property, activities and events:

The district encourages parents, legal guardians, and all school employees to self-screen at home. If a student or employee has a temperature of 100 degrees Fahrenheit or higher, the student or employee should remain at home until the individual has been free of fever for twenty-four (24) hours.

The district will adhere to guidelines set by the Centers for Disease Control with regard to social distancing and gatherings when feasible.
